Why “Europe”?

Greek mythology

- Europa was a Phoenician princess - abducted by Zeus in bull form, taken to the island of Crete.
- For Homer, Europa was a mythological queen of Crete, not a geographical designation
- Later Europa stood for mainland Greece and by 500 BC its meaning was extended to lands to the north.
- The term Europe is generally derived from Greek words meaning broad (eurys) and face (ops).

Europe

Herodotus

- According to Herodotus, Europa was kidnapped by Minoans, he wanted to avenge the kidnapping of Io, a princess from Argos
- He lived in the 5th century BC, known as the “ Father of History”
- “The Histories” is the only work he is known to have produced

Er zijn wel wetten, regelementen
maar je bent nog altijd vrij in je hoofd
Ze willen jou graag overtuigen
van opinies waarom jij niet gelooft
Er is hoop onze redding is nabij
Hoop hoe het ritme alle zorgen verdrijft
