**Roadmap to Falticeni:** define plans for October 2016

As part of our mobility week, your working group will visit local news portal varazdinski.hr on Tuesday. As they are quite young, but also successful in our area, you will have a chance to hear about their „start-up“ experience, and then about the way they work. This will your opportunity to ask them questions and to get some advice. The other part of your visit will be more interactive, and you will probably get some tasks from them, so this will be a hands-on experience for you.
