

ERASMUS+ PROJECT „ENGLISH THROUGH ENTREPRENEURSHIP“

3rd MOBILITY 13. – 17. 2. 2017

Trondheim, Norway

NEWSPAPER AGENCY GROUP: INSTRUCTIONS TO STUDENTS

Project goal:

Publish articles in a digital newspaper: NEWSFORYOUTH

Mobility week goal:

Transfer the aims and tasks of the e-newspaper to the new members, write and publish articles and promote the newspaper.

Expected outcome:

- Make a logo
- Write and publish articles covering the different activities (lecture by Kahoot creator, literature camp, day trip to Røros, progress of the three working groups and visit to Adresseavisen during the mobility in Trondheim)
- Conduct interviews with one student from each participating country
- Arrange a photo competition of the mobility in Trondheim and select the best photo of the week
- Find ways to promote the e-newspaper in order to reach a wider audience in cooperation with the entrepreneurship group
- Write a number of articles on current issues
- Make a creative presentation of the work done in your working group this week to be presented at the final ceremony
- Define plans for the next mobility and briefly present these at the final ceremony

During the mobility week you will get the opportunity to visit the local newspaper, Adresseavisen where you will get some advice on article writing and insight into the work of a journalist. You will also be able to ask questions during your visit. You are encouraged to think of questions you would like to ask.

Roadmap to Falticeni: define plans for the next mobility.

NB! At least two articles per country MUST be published per month before the next mobility in Falticeni. The editor and the English teachers are responsible for proofreading and guidance before texts are published.
